When I joined The New Community School family as Head of School in 2012, I already knew that this was a special place. I knew that the school inspired our bright, talented students to embrace their learning challenges and build on their inherent gifts. I knew that our faculty committed themselves every day to the personal and academic growth of our students. I knew that TNCS had a firm foundation that would take us far.

Today, as we look back on our 40th year of empowering bright young minds who think and learn differently, I have never been more proud. Our dedicated faculty are helping students uncover their gifts. Expanded arts, athletics, and student life programs are helping to encourage these remarkable young people to find their passions. All the while, our commitment to small class sizes and a customized experience means that each student gets the individual help that they need.

Thank you for celebrating our 40th anniversary year with us. As you can see in these pages, our students, families, faculty, staff, alumni, and friends all came together to make this year one of our best yet. We honored the past, celebrated the present, and looked toward a bright future. Truly, we could not have done it without you.
What a remarkable year it has been for the families, faculty, and staff of The New Community School. It is my honor to serve as president of the Board of Trustees of this wonderful school. Years ago I watched my son blossom during his time here at New Community. Today it gives me the same pride to see our current students embrace their strengths, hone their skills, and build their own identities as they prepare for the future.

There has never been a more exciting time to be a part of the TNCS family. Our student body continues to grow in size and strength. Our incredible faculty is helping our students overcome the challenges of dyslexia and unlock their gifts in new and profound ways. Our expanding athletics, arts, and electives programs are helping our students find their own unique passions. The board is working hard to put plans in place that will help this school continue to grow in size and scope in the years to come.

It is my pleasure to say thank you to the hundreds of our parents, alumni, grandparents, students, and friends who have made an investment in our school this past year. Every gift that the school receives takes us closer to realizing the school’s vision of transforming lives by creating an educational environment that celebrates the gifts of dyslexia and related language-based learning differences. I hope that you will take a moment to look over the list of names on the following pages, and join me in thanking them for making this school a better place. Together, we can ensure that every student has the tools they need to succeed and make a difference in our community.

PARENTS ASSOCIATION
As their major fundraising event of the year, the Parents Association hosted the seventh annual READ Art Show & Sale. Over 350 guests attended the opening reception, 186 pieces of art were sold, and the event netted over $58,000 for the school. Thanks to the artists, volunteers, and sponsors who participated.

40th ANNIVERSARY CELEBRATION

In May of 2015, parents past and present, alumni, faculty, staff, and friends came together to celebrate 40 years of transforming lives. We shared stories, honored the past, looked to the future, and danced under the stars. It was a magical night!
40th ANNIVERSARY

Special thank you to all who made a donation in honor of New Community’s 40th Anniversary.
