PHONOLOGICAL AWARENESS LITERACY SCREENING

So....what's this all about?

We will be discussing the publicly funded and mandatory PALS assessment that Virginia's elementary schools use for literacy screening.

If you can't join us at our meeting, please take a moment to share your PALS experience by completing the survey found on our DDVA blog site:

Decoding Dyslexia Virginia is a grassroots movement focused on linking families to resources, support, and educational interventions for dyslexia. We aim to raise awareness, empower families to support their children and inform policy-makers on best practices to identify, remediate and support students with dyslexia in Virginia.

Our group is made up of parents whose children are dyslexic. We are not experts; we are not a business or an educational organization. We offer the community the benefit of our collective experiences.
