

## ORIENTATION INFORMATION FOR NEW STUDENTS

**Orientation for new students and their parents will be held on  
Monday, August 28 from 1-3pm (followed by regular scheduled athletic practices)**

Orientation is the time for new students to receive their class schedule, locker assignments, and information regarding lunches, school supplies, and school rules and procedures. Students and parents will also have opportunities to meet the student's teachers and advisor, as well as several other students in their grade.

We have found that Orientation is also a valuable time for parents to ask questions and obtain information that will make this school transition easier. At least one parent should accompany each new student.

Please contact our school office at 804-266-2494 or by email to [lfields@tncs.org](mailto:lfields@tncs.org) if you are unable to attend New Student Orientation.

We are looking forward to seeing each of you at orientation to give you a head start on the school year!
