

## TNCS SKIING/TUBING TRIP

TNCS will go to Massanutten Ski Resort for our annual community Ski Day on Friday, February 3. This annual trip is a lot of fun and will be well supervised by TNCS faculty. We will continue to offer tubing as well. This is a great alternative to skiing/snowboarding, especially for those who don't know how to ski. The tubing area will be well supervised by teachers. This trip is optional; however, if your child does not attend the trip, they should stay home that day. There will be no alternative activities on campus.

Permission slips must be returned to the school office on or before **Friday, January 20th**. On **Tuesday, January 24th**, guests may be invited if there is room on the buses.

If the cost for the trip makes it prohibitive for you, contact Mrs. Foy.

I understand that TNCS faculty will supervise the trip, however, will not be held responsible for accidents at the resort. My child and I understand that all school rules will be enforced on the trip and that students are allowed only to be on the slopes, tubing park, or at the lodge area. Any private property or other resort entertainment areas are off limits to TNCS students and their guests. All TNCS students and guests will be required to use school-arranged transportation only. TNCS students are expected to obey ski patrol and resort rules and to ski or snowboard "within their limits".

I give permission for my child to attend the TNCS Ski Day trip on February 3, 2017.
