If your student's typical dismissal routine changes, the school must be informed by the parent and parent permission must be given in writing.

Students who drive to and from school must register their car with the school office, drive in a safe manner, and comply with school parking and campus regulations. Drivers who drive at unsafe speeds, demonstrate poor driving, reckless, or inconsiderate behavior (such as excessive volume of the stereo) while entering, leaving, or on school grounds will be reported to their parents. I understand that such behavior may also cause them to lose the right to park their vehicles on school property.

I understand that The New Community School cannot supervise transportation arrangements to and from school at the beginning and end of the school day or other times granted by parental permission during the school day.

I also hereby authorize The New Community School to provide my child round-trip transportation from the campus of the school at 4211 Hermitage Road, Richmond, Virginia, to all destinations selected for field trips or school activities in conjunction with the program of the school. This also includes the round-trip transportation for special activities in the physical education and student activities programs and the transportation required for students involved in team sports.
