2024-2025 Technology Requirements

Tools for All Grades

The New Community school will provide 5th through 12th grade students with a variety of tools utilized throughout the school year. There is a $100 annual technology application fee for all students.

Grades 5 & 6

5th and 6th students will use school-issued HP 11 G9 EE Chromebooks and families will be charged a $100 annual laptop fee. Families assume all liability for any damage to these school-owned devices.

Grade 7

7th grade students will be assigned a school-owned MacBook Air (2018 or higher) and families will be charged a $100 annual laptop fee. Families assume all liability for any damage to these school-owned devices.

Grades 8-12

8th through 12th grade students will need to purchase a MacBook Air. Minimum requirements:

- Storage: 256 GB

- Processor: Apple M1, M2, or M3 Chip

- Memory: 8 GB

- Operating System: MacOS Ventura (Version 13 or higher)
