From the Head of School

Our 2022-23 school year was a year for celebration. We wrapped up our **SABER STRONG** campaign, opening our beautiful new Wellness Center in the fall. Our students and adults alike proudly use this space daily. It has been wonderful to have the physical space to match our health and wellness program.

Our Parents Association worked so hard this year. They had a very successful raffle and they brought our Saber Soirée to campus for the time after starting virtually during COVID. The night was magical, filled with so much love and positive energy. The result was a record breaking amount of money raised - over \$140,000.

With your help, we had a record breaking Annual Fund campaign this year, as well. Your support DOES matter. Your annual gift DOES matter to our bright students. Due to inflation, we raised the salary pool at a higher percentage than tuition for the second year in a row. We are mindful of our tuition and want to be accessible to as many appropriate students as possible. We write many grants for financial assistance. Due to the generosity of donors, we were able to award just over \$1M in financial aid this past year.

I thank you for believing in our students and mission and for your generous support.

With gratitude,
Nancy
