

Our School

Since 1974, The New Community School has empowered bright, talented students who are challenged by dyslexia and related learning differences. The school launches students with the knowledge, skills, and resilience to pursue their passions, navigate the opportunities and challenges of their world, and live their lives with courage, compassion, and purpose.

- Grades 5-12
- Customized, College-Preparatory Curriculum
- 4:1 Student/Teacher Ratio
- Fostering Academic & Personal Strengths
- Igniting the Passions of Students with Dyslexia & Related Learning Differences

Our Soirée

This year, the TNCS Parents Association is planning an in-person Saber Soirée! We are excited to gather together to support and celebrate our school. The Saber Soirée begins virtually with an online silent auction beginning March 3, ending at a gala celebration and live auction on March 17 at TNCS.

Beyond a good cause, good exposure:

- printed invitation* mailed to over 4,000 households
- frequent event e-promotion to more than 2,000 families
- recognition and link on the school's website and social media
- professionally printed program* featuring our sponsors given at the event and posted on the school's website
- recognition during the live event
- recognition in the school's annual report sent to over 4,000 families and posted on the school's website

Added sponsor benefits:

- tickets to the Saber Soirée event on Friday, March 17
- knowledge that you helped children embrace their unique gifts and overcome their learning challenges

*generously provided by B&B Printing
