

VEHICLE REGISTRATION
AND PARKING APPLICATION

Student's Name (please print): _____ Grade: _____

TRANSPORTATION APPLICATION AND AUTHORIZATION

Parking space on school property is limited and we encourage families to develop carpools to help manage our space constraints. Student drivers wishing to drive to and from school must complete this application in full and return it to the school office no later than August 3, 2022.

The Director of Upper School will contact approved student drivers regarding when to pick up their parking permits prior to the first day of school.

Those students who are not approved are not eligible to park on campus until their completed application has been approved. Students found parking on campus without proper authorization will be subject to discipline and may forfeit future parking privileges.

Parking at Scottish Rite Temple by students is not permitted. This is private property and we must show proper courtesy and respect for their private property rights. Those who park there risk being towed at the family's expense.

Please check below which instances you give permission to occur. (Parents may rescind these permissions at any point in the school year by notifying the Director of Upper School.)

- Yes No My child has my permission to drive to and from school.
- Yes No My child has my permission to drive to school-related activities if allowed by the school.

Students approved to park on campus must obey all traffic signs, drive in a safe manner, and comply with school parking and campus regulations, park only in approved student parking areas, and obey all faculty and staff who may be directing traffic. Student parking is limited to the Activity Center parking lot and limited spaces in the School House parking lot. Students who drive at unsafe speeds, demonstrate poor driving, reckless, or inconsiderate behavior while entering, leaving, or on school grounds will be reported to their parents. Such behavior may also result in loss of right to park on school property.

By signing this form, both the student and parent/guardian acknowledge they have read and understood this parking privilege information and agree to the requirements within.
