

SABER SPORTS Winter 2018-19

We are so excited about Saber Sports! Our athletic program is an integral part of the TNCS community. We aren't a "cut" school – meaning, nobody will be kept from a sport because of skill or experience. Only a great attitude and effort are required. We encourage students to play on our teams. For some of our students, sports are a primary focus and athletic arenas are a place for them to show their talents and shine. For some, sports are a chance to get out of their comfort zone and try something new. For all of our students, Saber Sports are an opportunity to grow individually by committing to a team. Coming to practice every day with a team-first mindset is expected. Daily schedules for each team will be posted at tncsathletics.org.

All students must have a 2018-2019 Participation/Parental Consent/Physical Examination Form on file before participating in Saber Sports. Students who did not play a TNCS fall sport may not begin practice without a completed form. Questions: contact nurse Rhonda Chambers at rchambers@tncs.org.
